WELCOME

We are Hubble Community Café; a non-profit café on campus for everyone. Hubble is run by students and this results in friendly priced food & beverages. We are the living room on campus and founded to support student associations in Eindhoven.

With over 50 associations part of the Hubble Community, a lot is going on! By visiting Hubble you contribute to the Hubble Community. Associations can receive a yearly bonus and can request additional financing. This starts with the food & drinks you order!

Along the way your presence lights the fire in our living room, striving to be opened 365 days a year.

How to order
You can order your drinks and food at the bar. Your drinks will be served at the bar right away. Your food will be ready for pick-up as soon as your ticket number appears on one of the tv screens. You can also track your number via food.hubble.cafe or scan the QR-code on this page.

Do you want to get discount?
As a TU/e student you can get up to 12,5% discount on most drinks upon showing your TU/e campus card on beforehand. This discount is personal and not applicable for groups. See the next page for community discount.
